_table

view_data.view_table_data

```
graph LR; A[view_data.view_all_data] --> C[view_data.view_table_data]; B[view_data.view_specific_table] --> C;
```

The diagram illustrates a data flow or dependency. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'view_data.view_all_data'. The bottom box contains the text 'view_data.view_specific_table' on two lines. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the left side of a gray rectangular box on the right. The arrow from the bottom box also points to the left side of the same gray box. The gray box contains the text 'view_data.view_table_data'.
